I. Policy

Children & Animals in the Academic Setting

II. Purpose

To provide guidance around the presence of children and animals in facilities owned or controlled by St. Mary's Hospital School of Medical Imaging(SOMI).

III. Scope

This policy applies to all SOMI students, associates, and guests.

IV. Definitions

None

V. Policy Details

The College is an institution of higher learning and as such, the environment is maintained to promote learning and minimize distraction. Children are permitted on College facilities for social events and brief visits. Children must be always accompanied by an adult and the adult must be mindful of any distractions this may cause others while at the College. Children are not permitted to be in the classroom or practicum setting. Animals are not permitted in any College facility, with the following exceptions:

- Working service animals
- Animals under the control of a law enforcement officer during the law enforcement officer's duties
- Animals approved by the College for use in research or for instructional purposes
