**I. Policy**

It is the policy of Bon Secours St. Mary's Hospital School of Medical Imaging (SOMI) to provide rules and procedures for the use, possession, and storage of firearms within its facilities.

**II. Purpose**

Recognizing the fact that SOMI is a private institution of higher education located on private property, the purpose of this policy is to promote a safe teaching, learning, and working environment at all School facilities by minimizing the risk of violence by use of a weapon. This policy provides rules and procedures for the possession of weapons on campus grounds, in campus buildings, at campus events and on School property. This policy is consistent with the laws and regulations of the Commonwealth of Virginia and Bon Secours Mercy Health to include:

1. Virginia Code Section 18.2-308; Concealed weapons and 18.2-308.1 Possession of firearm, stun weapon, or other weapon on school property prohibited (public or private K-12);
2. Virginia Code Section 18.2-308.01; Carrying a concealed handgun with a permit; *specifically* the granting of a concealed handgun permit pursuant to this article shall not thereby authorize the possession of any handgun or other weapon on property or in places where such possession is otherwise prohibited by law or is prohibited by the owner of private property;
3. Virginia Supreme Court in the case of DiGiacinto v. the Rector and Visitors of George Mason University, 281 Va. 127 (2011) ruled that regulations, rather than policies, can regulate weapons at a public institution of higher education.
