Section	ADM 2

I. Mission, Vision and Values

This policy reflects our commitment to human dignity, integrity, compassion, stewardship, and service by guiding decisions and actions that uphold respect for all individuals and promote excellence in our work.

This policy aligns with our mission of extending the compassionate ministry of Jesus by improving the health and well-being of our communities and providing good help to those in need, especially the poor, dying, and underserved by ensuring that our practices support ethical, effective, and accountable service across all areas of the organization.

II. Policy

Academic Advisement and Support Services

III. Purpose

To outline the academic advisement and support services offered by the Center for Student Success.

IV. Scope

This policy applies to all SOMI students.

V. Policy Details

Services for students encompass academic success advising (academic advising and academic support) to help students meet their educational goals. The Center for Student Success is comprised of a director, assistant director, success advisors, and test proctors. Student Success partners with the academic administration in these efforts of student support.

Student Success oversees academic advising and academic support/skill development, access and accommodation requests, referrals for personal counseling and needs-based programming (individual and group workshops addressing study skills, test taking strategies, time management, stress management and related topics).

Success advisors work with every student at the start of their education and throughout their entire academic journey. They assist students in developing skills and strategies which foster independence: active learning, accountability, academic success, progression, timely degree completion, and achievement of their education goals. Advisors serve as a vital connection between the student and the school resources available and support relationship building with faculty. Success advising is required of each student.
