I. Mission, Vision and Values

This policy reflects our commitment to human dignity, integrity, compassion, stewardship, and service by guiding decisions and actions that uphold respect for all individuals and promote excellence in our work.

This policy aligns with our mission of extending the compassionate ministry of Jesus by improving the health and well-being of our communities and providing good help to those in need, especially the poor, dying, and underserved by ensuring that our practices support ethical, effective, and accountable service across all areas of the organization.

II. Policy

It is the policy of Bon Secours St. Mary's Hospital School of Medical Imaging (SOMI) to require students to check patient identification.

III. Purpose

The purpose of this policy is to outline the process for proper patient identification.

IV. Scope

This policy applies to all SOMI students.

V. Policy Details

All students are required to check a patient's arm band and ask patients to verbally state their name and date of birth. Patient identification must be verbally confirmed using the two-identifier system prior to radiation exposure.

If a patient is unable to state their name and date of birth, patient identification must be verified by either a nurse, parent/legal guardian, or a medical record accompanying the patient that matches patient's arm band.

Students are required to follow the patient identification procedures established by the clinical affiliate sites.

Students that do not follow proper procedures will be subject to disciplinary action.
