Version:	1
Status:	Approved
Manual	To be entered by Compliance360 System administrators or N/A if not in C360
Section	RAD 8

I. Mission, Vision and Values

This policy reflects our commitment to human dignity, integrity, compassion, stewardship, and service by guiding decisions and actions that uphold respect for all individuals and promote excellence in our work.

This policy aligns with our mission of extending the compassionate ministry of Jesus by improving the health and well-being of our communities and providing good help to those in need, especially the poor, dying, and underserved by ensuring that our practices support ethical, effective, and accountable service across all areas of the organization.

II. Policy

Usage of Energized Imaging Equipment.

III. Purpose

The purpose of this policy is to identify students' appropriate usage of energized imaging equipment.

IV. Scope

This policy applies to all SOMI students, faculty, and staff.

V. Policy Details

Students' utilization of the energized imaging equipment must be under the supervision of a qualified radiographer. Students cannot utilize any energized imaging equipment when a qualified radiographer is not present. The radiation exposure mechanism on the energized imaging equipment will be disabled when a qualified radiographer is not present.

VI. Definitions**Energized:**

The machine or system is connected to a high-voltage electrical power source and is actively producing ionizing radiation.
